Subject: Technical Question

Sandy & Jun,

The Merrimack Station Group needs to place a Microsoft Excel spreadsheet in the Merrimack Station Administrative Record. Scanning each of the spreadsheet's work book pages is difficult and time consuming; i.e., a big pain. Is there a means to up load an electronic "Read Only" copy of the spreadsheet to the Administrative Record?

Please let Sharon know if this type of upload is possible.

As always I appreciate your efforts, John
